Steve Caouette

Comedy-improve-impression

Identity crisis? No, It's just Steve Caouette. A man whose impressions are so believable it's hard to imagine there is someone else doing them. His impressions bring to life some of his favorite performers, from Arnold Schwarzenegger to Robert Stack of "Unsolved Mysteries." A little wacky, a tad zany, and a lot hilarious, Steve may leave you in stitches, or at least be able to replicate the sound of the stitches being put in. Come see this show and pick up a free Snickers bar afterwards!
